ORDER

An online secure website has been set up for Plaintiffs' counsel of record to utilize for the categorization of cases eligible for settlement pursuant to the Master Settlement Agreement (MSA) entered into on February 3, 2014 pursuant to Court Order Doc. No 1317. Under Section 2.(d), Categorization of Cases, of the MSA, categorization of all *Group 1* cases must be submitted on or before **April 18, 2014** and the categorization of all the *Group 2* cases must be submitted on or before **August 8, 2014**. See Sections 2.(d)-(f) of the MSA.

The categorization of cases can be completed at biomet.awkolaw.com. This is a secure website that can only be accessed by MDL lead counsel. Immediately after the deadline for each group the information will be electronically provided to Biomet and their counsel. Individual Counsel of Record will be permitted to edit the case categorization form until the respective deadline for that particular case. Counsel will only be permitted to view and edit case information where they are counsel of record.

Upon entry of said order, Counsel of Record representing *Group 1* cases¹ will receive an email providing their login credentials, username and password, which will provide them access to the secure site. If you are Counsel of Record representing a *Group 1* case and do not receive your login credentials within 48 hours of the entry of this Order, contact Doug Kreis at BiometCat@awkolaw.com. Based on the prospective nature of additional filings by counsel who may not already have login credentials, Counsel of Record who only represent *Group 2* cases can expect to receive login credentials by April 28, 2014.

SO ORDERED.

ENTERED: April 2, 2014
