MEMORANDUM AND ORDER FOR
DECEMBER 19, 2017 TELEPHONIC STATUS CONFERENCE

A telephonic status conference was held in this cause on December 19, 2017. Irwin Levin and Lynn Toops appeared for the plaintiffs, Claudia McCarron appeared for Medical Informatics Engineering, Inc. (MIE), and Ernani Magalhaes and Doug Swetnam appeared for the Indiana Attorney General's Office.

Ms. McCarron and Mr. Magalhaes confirmed that: MIE had received a proposed settlement agreement from the multi-state Attorney Generals' offices; MIE is in the process of drafting its response and obtaining additional information sought by the Attorney Generals; and the state Attorney Generals would not authorize MIE to disclose the terms of the confidential proposal without a formal written request and/or court order. Ms. McCarron advised the court that MIE had not heard from the Office of Civil Rights and had no information on the status of its investigation.

At MIE's request, and without objection, the stay was extended to **April 30, 2018**, to provide the parties with additional time to resolve the impediments to settlement in this case. The court set the next status conference for **Tuesday, March 20, 2018, at 9:00 a.m. (E.D.T.)**.

SO ORDERED.
