MEMORANDUM OF DECEMBER 7, 2015 STATUS CONFERENCE

Topics addressed at the December 7, 2015 status conference included the parties' proposals regarding the scheduling of discovery and dispositive motions, dismissal of cases settled on or before December 7, 2015, and the pending motion to remand a case involving the M2a-Taper and the effect it may have on similar cases. The court heard arguments on the various issues presented by the parties' proposed scheduling order, including, but not limited to, the statute of limitations, spoliation, the timing and scope of general, case-specific, and expert discovery, and dispositive motions.

Following discussion, the court:

- (1) took the proposed scheduling order under advisement;
- (2) directed Plaintiffs' Lead Counsel to submit a written statement on or before December 14, 2015 regarding PSC II's position on M2a-Taper cases;
- (3) directed the Biomet Defendants to file a list of cases that were settled on or before December 7, 2015, but have yet to be dismissed; and
