MEMORANDUM AND ORDER FOR JANUARY 20, 2016  
CASE MANAGEMENT CONFERENCE

Topics addressed at the initial case management conference on January 20, 2016 included the parties' proposed case management and protective orders [Doc. Nos. 24 and 24-1], plaintiffs' organizational structure, and the status of settlement negotiations. Following discussion, the court:

(1) took the parties' positions regarding discovery and dispositive motions under advisement and advised that it would issue a case management order by the end of the month, which will include a deadline for applications for the positions of plaintiffs' lead counsel and/or steering committee;

(2) referred the parties' request for a protective order [Doc. No. 24-1] to Magistrate Judge Susan Collins;

(3) directed the parties to confer and provide the court with a proposed protocol for discovery of electronically stored information as soon as possible; and

(4) set the next status conference for May 16, 2016 at 9:30 a.m. (E.D.T.), and DIRECTED the parties to submit a proposed agenda by May 9, 2016. The

May conference may be conducted via telephone, if the parties agree and file a written request.

SO ORDERED.
