MEMORANDUM RE: MAY 16, 2016  
TELEPHONIC STATUS CONFERENCE

Lead Counsel Irwin Levin appeared on behalf of the plaintiffs, together with Lynn Toops, Vess Miller, Jennifer Duffy, and Deborah McIlhenny. Claudia McCarron and John LaDue appeared for the defendant, Medical Informatics Engineering, Inc.. The parties advised the court that settlement negotiations are ongoing, and asked that the status conference be continued for one week to allow them time to complete their negotiations and address issues regarding MIE's insurance coverage.

Defense counsel informed the court that additional time will be needed to acquire approval from various federal and state regulatory agencies, if the parties reach an agreement. As a result, the case management deadlines set out in the court's order of February 2, 2016 [Doc. No. 36] (as amended [Doc. No. 72]) may need to be modified.

Following discussion, the court GRANTED the joint request to continue the status conference, and RESET this matter for a telephonic status conference on
