MEMORANDUM RE: MAY 23, 2016
TELEPHONIC STATUS CONFERENCE

Lead Counsel Irwin Levin appeared on behalf of the plaintiffs, together with Lynn Toops, and Deborah McIlhenny. Claudia McCarron and John LaDue appeared for the defendant, Medical Informatics Engineering, Inc.. The parties advised the court that they are still engaged in settlement negotiations, and asked that the status conference be continued for a week to give them additional time to discuss resolution.

In light of those representations, the court RESETS this matter for a telephonic status conference on **Tuesday, May 31, 2016 at 9:30 a.m.**, and STAYS the May 27 deadline for exchange of initial disclosures under FED. R. CIV. P. 26(a)(1). The deadlines set out in the February 2, 2016 case management order (as amended) will be reset, if necessary, after the next status conference.

SO ORDERED.
