Claudia McCarron and John LaDue appeared for the defendant, Medical Informatics Engineering, Inc.. The parties advised the court that they have made substantial progress toward resolution, and asked that the status conference be continued for a week to give them time to complete negotiations.

In light of those representations, the court RESETS this matter for a telephonic status conference on **Monday, June 6, 2016, at 10:00 a.m. (E.D.T.)**. The case management deadlines will be reset, if necessary, after the next status conference.
