NORTHERN DISTRICT OF INDIANA**

General Order No. 2024-17

In Re: Application for Exemption from the Electronic Public Access Fees by Cody Plante

This matter is before the Court upon the application and request by Cody Plante for exemption from the fees imposed by the Electronic Public Access fee schedule adopted by the Judicial Conference of the United States Courts.

The Court finds that Cody Plante, an individual associated with a non-profit research institution, falls within the class of users listed in the fee schedule as being eligible for a fee exemption. Additionally, Mr. Plante has demonstrated that an exemption is necessary in order to avoid unreasonable burdens and to promote public access to information. Accordingly, Mr. Plante shall be exempt from the payment of fees for access via PACER to the electronic case files maintained in this court, to the extent such use is incurred in the course of developing an advanced machine learning classifier to help organizations identify and address hate speech, sexual harassment, and other harmful acts within their controlled communication systems. Mr. Plante shall not be exempt from the payment of fees incurred in connection with other uses of the PACER system in this court. Additionally, the following limitations apply:

- I. this fee exemption applies only to Mr. Plante, PACER Account No. 8019070, and is valid only for the purposes stated above;
- II. this fee exemption applies only to the electronic case files of this court that are available through the PACER system;
- III. by accepting this exemption, Cody Plante agrees not to sell for profit any data obtained as a result of receiving this exemption;
- IV. Cody Plante is prohibited from transferring any data obtained as a result of receiving this exemption, including redistribution via internet-based databases;
- V. this exemption is valid through July 18, 2026.

This exemption may be revoked at the discretion of the Court at any time. A copy of this Order shall be sent to the PACER Service Center.

SO ORDERED on July 25, 2024.
