ORDER REGARDING PLAINTIFFS' ORGANIZATIONAL STRUCTURE

I will accept applications and nominations for appointment, or re-appointment, to positions of lead counsel, liaison counsel, plaintiffs' executive council, and/or plaintiffs' steering committee, for a one-year term. All current appointments to the plaintiffs' counsel leadership structure are hereby extended through December 31, 2013.

Counsel not currently serving in such a position must file an application, not more than three pages in length, succinctly addressing willingness and availability to commit to a time-consuming project, ability to work cooperatively with other attorneys, and professional experience in this type of litigation. I will only consider attorneys who are counsel of record in this MDL docket or in a case in which the Judicial Panel on Multi-District Litigation has entered a conditional transfer order.

Counsel currently serving in a leadership capacity in the plaintiffs' counsel leadership structure must file an application, not more than three pages in length, summarizing work the applicant personally has done in this docket.

Applications must be filed by November 25, 2013. Objections may be made, in writing, to the appointment or reappointment of an applicant or nominee, brief yet thorough and supported by any necessary documentation, by December 6, 2013.

SO ORDERED.

ENTERED: November 13, 2013
