ORDER

Pursuant to the court’s February 6 order [Doc. No. 233 in 3:13cv264] this case was to be included in Group 6 for case-specific discovery purposes, but was inadvertently omitted. Accordingly, the list of cases in Group 6 (Exhibit A to the April 23, 2018 Scheduling Order) [Doc. No. 241 in 3:13cv264 and Doc. No.3573 in 3:12md2391] is AMENDED to include Mr. Pendelbury’s case.

Pursuant to the Scheduling Order, the plaintiff must provide Biomet with completed and updated medical records authorizations by **June 1, 2018**, and the parties may engage in case-specific discovery until **February 26, 2019**.

Because Mr. Pendlebury has refused delivery of multiple filings in this case, the court admonishes him that failure to comply with this or any other court order relating to this case may result in dismissal of the case under FED. R. CIV. P. 41(b).

SO ORDERED.
