ORDER

Irwin Levin was reappointed as lead counsel/interim class counsel for a period of one year effective March 29, 2017, with the understanding that he could reapply when his term expires and the court would consider appointing additional counsel to plaintiffs' leadership structure, if necessary. [Doc. No. 116]. Mr. Levin's term will expire before the stay in this case and the associated member cases is lifted on April 30, 2018.

Given the importance of preserving assets for the benefit of the litigants, the court finds that it is in the best interests of the parties to extend Mr. Levin's appointment for a brief period, to and including **April 29, 2018**, to provide continuity of counsel during the settlement process and an opportunity for Mr. Levin and any other attorney interested in serving as Plaintiffs' Lead or Co-Lead Counsel to submit an application. All applications must be filed by **April 3, 2018**, and should contain references to the nature and scope of work performed in this

case, including the time and resources expended. Any objections or response thereto should be filed by **April 20, 2018**.

SO ORDERED.

ENTERED: March 28, 2018
