UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF INDIANA
SOUTH BEND DIVISION

IN RE: BIOMET M2a MAGNUM HIP)
IMPLANT PRODUCTS LIABILITY) CAUSE NO. 3:12-MD-2391
LITIGATION (MDL 2391))

DECLARATION OF INTENT FOR PRO SE PLAINTIFFS

The Court has ordered that I indicate whether I wish to proceed litigating my claims or whether I wish to have my case dismissed. In response to the Court's Order, I would like to do the following: (please initial by your selection)

_____ **I would like to continue litigating my case.** I know that if I do not obtain another attorney, I will be responsible for representing myself in the litigation. I understand that I will be responsible for all the costs of conducting such litigation, but may be able to recover some of these costs if I am successful. I also understand that if I am not successful, I may be required to pay some of the Defendants' costs of litigation. I realize that if I choose to proceed with litigation, my case may be subject to transfer or remand from the Northern District of Indiana to the district where I reside or to a federal court where the events surrounding my implantation of the Biomet hip implant occurred. I also understand that I will be required to appear in person before the Court at an upcoming hearing and comply with all of the Court's orders as well as the Federal Rules of Civil Procedure and Local Rules of the Northern District of Indiana.

_____ **I would like my case to be dismissed without prejudice.** A dismissal without prejudice means that the Court will close my case. My case will not go to trial, and I will have no other obligation or responsibilities regarding the litigation. I understand that I might be able to bring my case again at some time in the future, but only if the statute of limitations period for my claim has not already expired.
