Re: *Biomet M2a Magnum Products Liability Litigation (MDL-2391)*
Cause No: 3:12-md-2391-RLM-CAN

Dear Judge Miller:

We represent three Group 2 Plaintiffs in the Biomet MDL who sought enhancement under the settlement agreement via mediation, and one Group 2 Plaintiff with a contested case category for which mediation was requested.

I write to advise the Court that we have experienced the same problems which have been addressed by Mr. Borri's letter to your Honor dated April 24, 2015, a copy of which is attached. We are hereby advising the Court that we wish to join in the requests set forth in Mr. Borri's letter of April 24, 2015.

Respectfully submitted,

Jeffrey J. Lowe
