Re: In Re: Biomet M²a Magnum Hip Implant Products Liability Litigation

Dear Judge Miller:

Attached please find an updated list of pending cases and lawyers representing each of the representative plaintiffs reflecting recent settlements and dismissals. As with the previous list, plaintiffs currently proceeding *pro se* are identified. An “*” next to a specific case means a motion to dismiss is pending or about to be filed, the case is a non-revision lawsuit, but is not yet ripe for a motion to dismiss, or a motion to withdraw as counsel is pending or to be filed.

According to Biomet’s calculations, the following firms have five or more pending cases:

Beasley, Allen, Crow, Methvin, Partis & Miles PC	31
Casey Danis & Lowe	8
Bachus & Schanker	7
Maglio Christopher & Toale PA	7
Law Offices of William Jordan	5
Searcy Denny Scarola, Barnhart & Shipley	5

If you have any questions or need any additional information, please let us know.

Sincerely,

A handwritten signature in black ink, appearing to read "Erin Linder Hanig". The signature is written in a cursive, flowing style.

Erin Linder Hanig
