NON-REVISION TRACK ORDER

Pursuant to memorandum of December 10, 2013, all member cases in which the plaintiffs haven't had revision surgery are to be placed on a Non-Revision Track and stayed, pending further order. The Plaintiffs' Steering Committee and Biomet are directed to confer and submit an agreed list of the cases to be placed on the Non-Revision Track by January 22, 2014. I will then order all proceedings stayed in those cases until further notice and will entertain motions to move particular cases from the Non-Revision Track to the Revision Track and to lift the stay, subject to the conditions set out in the December 10 memorandum [Doc. No. 1117].

SO ORDERED.
