MEMORANDUM RE: SEPTEMBER 26, 2018 STATUS CONFERENCE

Irwin Levin appeared in person and Lynn Toops appeared by phone for the plaintiffs; Claudia McCarron appeared for the defendant, Medical Informatics Engineering. At the court's request, Douglas Swetnam appeared by phone on behalf of the multi-state Attorney Generals investigating the data breach. The representative from the Department of Health and Human Services was invited as well, but declined to attend.

Mr. Swetnam advised the court that the individual state Attorney Generals are in the process of editing their joint complaint and intend to file it in the Northern District of Indiana as soon as final authorization has been obtained from each office. No estimate of when that might occur was available, but Mr. Swetnam indicated that he would provide the Department of Health and Human Services with notice of the filing, in an effort to encourage its participation in future proceedings. He expects that case to proceed in tandem with this one.

Ms. McCarron informed the court that she had been in contact with the representative from the Department of Health and Human Services Office of Civil Rights and had confirmed that it required no additional information from MIE and hoped to conclude its investigation soon.

The court found that the deadlines in the revised scheduling order submitted by the parties [Doc. No. 150] were reasonable, and advised the parties that it would enter an order amending the February 2, 2016 Case Management Order to incorporate the new deadlines.

By agreement of the parties, the next status conference was set for **December 10, 2018 at 1:30 p.m. (E.S.T.)**.

SO ORDERED.

ENTERED: September 27, 2018
