ORDER

On May 26, 2016, the court issued an order identifying purportedly settled cases and affording the plaintiffs in those cases 30 days to show cause why their cases should not be dismissed with prejudice. Biomet has informed the court that two cases on the list attached to the show cause order were included in error, and asks that the list be amended to remove those cases.

Accordingly, the court GRANTS Biomet's motion to amend the show cause order (Doc. No. 3157), VACATES the May 26, 2016 show cause order (Doc. No. 3149) only as to cases 3:14-cv-1505 and 3:14-cv-737, and AMENDS Exhibit A to the show cause order to remove those two cases.

SO ORDERED.
