ORDER

The Amended Joint Proposed Remand/Transfer Case List submitted on January 10, 2020 [Doc. No. 3811] omits eighteen cases that appear to meet the qualifications for remand or transfer and that remain active on the court’s docket. To avoid delays, the court gives the parties until **February 3, 2020** to show cause, if any, why the cases listed in attached Exhibit A shouldn’t be included in the list of Discovery Group 8A cases to be remanded or transferred or to inform the court what the proper remand/transfer venue would be.

SO ORDERED.

ENTERED: January 14, 2020
